Computer Application Journal #2
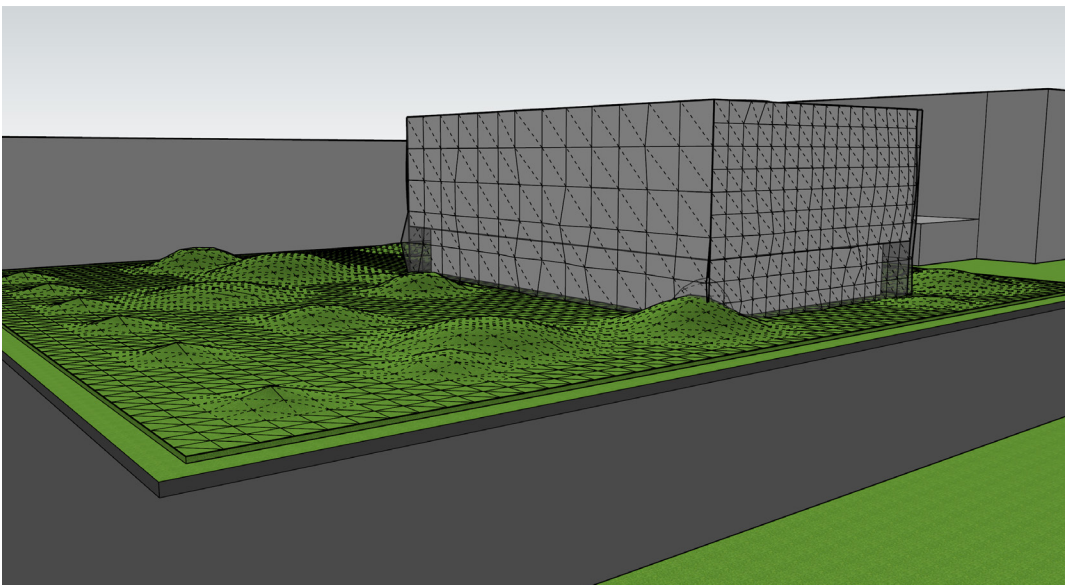

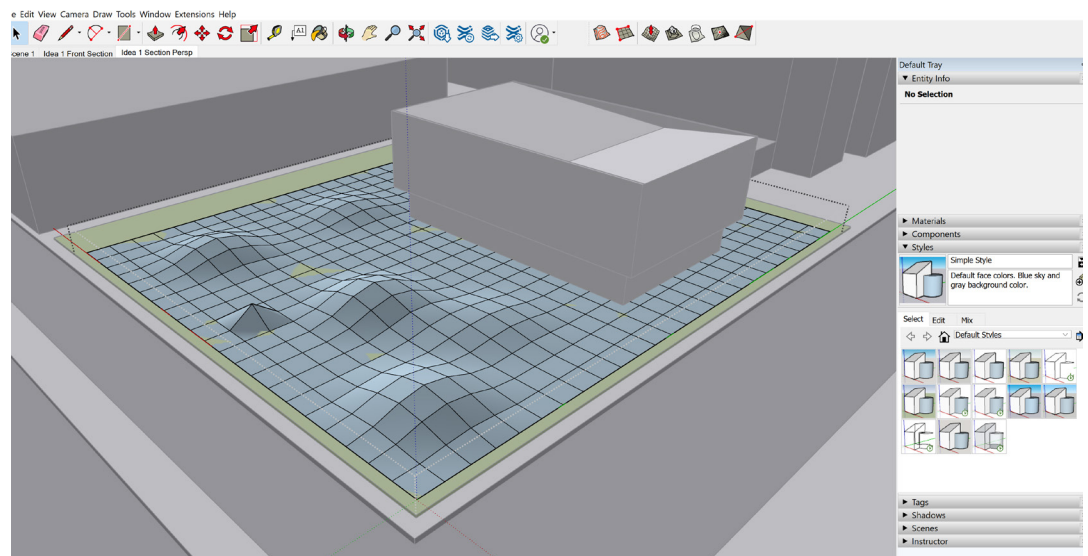

Studio Development

'Groundswell' by Maya Lin. Inspiration for studio, creating an interesting groundscape that relates to the building.
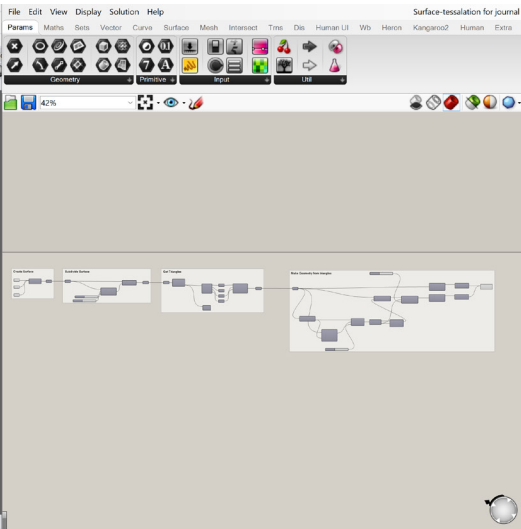

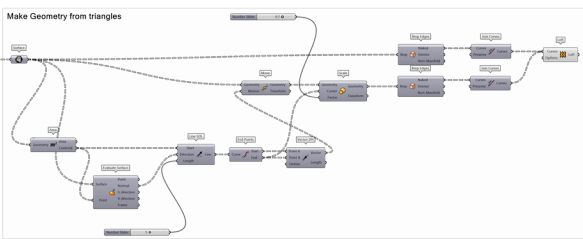

9/15/22

Snip from Sketchup exploring landscape shaping using the sandbox tools.

9/15/22

Continued development of landscape and studio work.

9/16/22

Tesselation via Rhino and Grasshopper. Script basis provided by Chris Schwalbe in class.

9/13/22
